### **Attendees CARRE for Military Families at FSTEC**

*CARRE, the Charitable Alliance of Restaurant and Retail Executives, is pleased to announce the spotlighted charity for FSTEC 2015 is the Folds of Honor Foundation*

***Oakbrook Terrace, Ill., February 24, 2015:*** At the 19<sup>th</sup> annual FSTEC conference in Washington D.C., attendees will rally to support the spouses and children of soldiers killed or disabled in service to our country via the CARRE and Folds of Honor Foundations.

The philanthropic activities of CARRE, allow attendees of all CSP Business Media's major leadership conferences to give back to the larger foodservice industry and actively support national and global charities such as Folds of Honor.

Folds of Honor provides families the financial opportunity to pursue higher education through scholarships and other assistance. This foundation provides hope and healing to many in an effort to honor and remember the brave men and women who defended American freedom.

This year's FSTEC will be held at the Washington Marriott Wardman Park from September 27-29. The conference remains one of the most compelling technology conferences focused exclusively on food sales and welcomes hundreds of emerging leaders and industry innovators to partake in some on-site learning. With more than 12 hours of education, dozens of influential speakers, and incomparable insights FSTEC continues to inspire the entire industry.

Registration for the event will be available online at [FSTEC.com](http://FSTEC.com). To attend the conference, operators can contact Bryn Cotton at [bcotton@cspnet.com](mailto:bcotton@cspnet.com) or 480-337-3420. For sponsorship information, please contact Michael Burkette at [mburkette@cspnet.com](mailto:mburkette@cspnet.com) or 425-861-3461.

In preparation for FSTEC 2015, the CARRE Foundation is also seeking items of value to include in the silent auction. For information on how to donate items or money to the CARRE Foundation and Folds of Honor, contact Paul De Luca at [pdeluca@cspnet.com](mailto:pdeluca@cspnet.com).
